

## BRINGING HUMAN RIGHTS CLOSER TO THE PEOPLE

 <b>GEOGRAPHICAL SCOPE</b>	Global
 <b>THEMATIC SCOPE</b>	Human Rights
 <b>TARGET BENEFICIARIES</b>	Central government, local authorities, urban poor, women and youth.
 <b>PARTNERS</b>	Internally, supporting partnerships between UN-Habitat branches and regional/country offices in human rights-based project implementation. Externally, the UN Office of the High Commissioner for Human Rights (OHCHR) and the United Nations Development Group Human Rights Working Group (UNDG-HRWG).
 <b>PROGRAMME SUMMARY</b>	<p><b>Background:</b> Human rights mainstreaming has secured a strong institutionalization in UN-Habitat. An institutional safeguard was introduced in 2015 in order to quality assure UN-Habitat projects at the design phase: All UN-Habitat projects must now ensure a meaningful integration of human rights considerations. Building on these successes, this project proposes a deepened and strengthened human rights mainstreaming in the implementation phase of UN-Habitat projects with the ultimate result to deliver inclusive and sustainable urbanization processes that leave no one behind.</p> <p><b>Goals and Objective:</b> The Human Rights-Based Approach (HRBA), Results-Based Management (RBM) and the implementation of the 2030 Sustainable Development Agenda are all key to UN-Habitat's projects at the implementation, monitoring and evaluation stages to ensure tangible human rights impacts on the ground. UN-Habitat's implementation activities are aligned with the SDGs to benefit, include and empower urban poor, youth and women, and strengthen the capacities of national and local governments to fulfil their human rights obligations.</p>
