1159	Do you have experience in technical or administrative maintenance and operation of field facilities?	MAINTENANCE- facilities/field
1161	Do you have an advance university degree (Master's degree or equivalent) in Cartography, Geography, GIS and/or equivalent that involves GIS and Remote sensing programmes?	Master Cartography,
1163	Do you have any experience in managing camp facilities in a harsh operational environment?	Mgmt in harsh operational envr
1164	Do you have any experience in quality assurance?	Exp in quality assurance
1166	Do you have at least 10 years of experience in planning designing, supervising engineering projects, facilities, and activities within national administrations or large design consultancy, or construction firms?	10 yr designing, eng projects
1167	Do you have at least 10 years of experience in the field of civil engineering with background in structural design?	10 yr civil engineering
1168	Do you have at least 10 years of progressively responsible experience in engineering with background in construction and project management?	10 yr responsible exp in eng
1169	Do you have technical and administrative experience in overseeing general maintenance activities of organizational facilities?	MAINTENANCE-oversee
1170	Do you have at least 4 years of experience in fitting and maintenance of commercial and industrial HVAC, and refrigeration installations?	4 yr exp fitting, maintenance
1171	Do you have at least 4 years of practical experience in construction project implementation?	4 yr project implementation

1172	Do you have at least 4 years of progressively responsible experience within the field of engineering?	4 years exp engineering
1173	Do you have experience within the field of water supply and sewage works?	WATER-supply and sewage
1174	Do you have at least 5 (five) years of experience in architecture?	5 yr architecture
1175	Do you have at least 5 years of experience working as a Geologist, Hydrogeologist, Hydrologist or Geophysicist?	5 yr Geologist, Hydrogeologist
1176	Do you have at least 5 (five) years of progressively responsible experience in engineering with focus on environmental science?	5 yr eng focus environment
1177	Do you have at least 5 years of progressively responsible experience in general maintenance of at least one of the following facilities: sanitation, catering, vector services, cleaning and garbage collection?	5 yr sanitation, catering
1178	Do you have at least 5 (five) years of progressively responsible experience in water and sanitation engineering?	5 yr water& sanitation eng
1179	Do you have at least 6 (six) years of practical experience in construction/maintenance of facilities?	6 yr construction facilities
1180	Do you have at least 6 years of progressively responsible experience in engineering and engineering management?	6 yr exp in eng and eng mgmt
1181	Do you have at least 6 (six) years of progressively responsible experience in installing and maintaining electrical systems in commercial and industrial installations?	6 yr installing electrical
1182	Do you have at least 7 years of experience in the field of civil engineering with background in structural design?	7 yr CivilEng struct. design
1183	Do you have at least 7 years of experience working on cartographic-related projects?	7 yr cartographic-related

1184	Do you have at least 7 years of progressively responsible experience in engineering with a focus on environmental issues?	7 yr eng focus on envr
1185	Do you have at least 7 years experience in construction or renovation of buildings?	7 yr construction renovation
1186	Do you have at least 8 years of progressively responsible experience within the field of engineering?	8 yr exp in eng
1187	Do you have at least 8 years of progressively responsible experience in generator maintenance?	8 yr generator maintenance
1188	Do you have experience in water supply and sewerage works, treatment plants and pump installations?	WATER-treatment/pump
1190	Do you have at least six years experience in installation and maintenance of electrical installations?	6 yr electrical installations
1191	Do you have at least six years experience in installation and maintenance of electrical systems?	6 yr electrical system
1192	Do you have at least six years experience in installation and maintenance of generators?	6 yr installation generators
1047	Do you have experience handling sensitive and confidential information?	INFORMATION-sensitive/confiden
1194	Do you have experience in installation of maintenance of HVAC equipment and system?	HVAC- equipment & system
1195	Do you have at least six years of experience in draughtmanship?	6 yr draughtmanship
1196	Do you have at least six years of experience in water supply, sewerage works, treatment plants and pump installation?	4yr treatment plants& pump
1197	Do you have at least six years of progressively responsible experience in generator maintenance?	6 yr generator maintenance
1199	Do you have at least two years of experience performing engineering-related tasks?	2 yr engineer related tasks

1200	Do you have at least two years of progressively responsible experience in civil engineering with background in structural design and project management?	2 yr civil eng project mgmt
1202	Do you have engineering experience in international peacekeeping or military operations?	Eng peacekeeping or military
1203	Do you have engineering site-supervision experience?	ENGINEERING- site-supervision
1204	Do you have experience appropriating space within the premises of an organization?	Exp appropriating space
1205	Do you have experience assisting in the development of engineering cost estimates?	Devengineering cost estimates
1206	Do you have experience carrying out ground water exploration in arid or semi arid regions using standard geophysical techniques and methods?	Water exploration in arid area
1207	Do you have experience carrying out scheduled and preventive maintenance of facilities?	Exp maintenance of facilities
1208	Do you have experience carrying out scheduled and preventive maintenance of structures?	Exp maintenance of structures
1209	Do you have experience carrying out scheduled periodic and emergency maintenance services on HVAC equipment?	HVAC-Periodic maintenance
1210	Do you have experience carrying out scheduled periodic and emergency maintenance services on water installations and equipment?	Maintenance water equipment
1211	Do you have experience conducting preliminary site investigations to obtain field data such as soil characteristics?	Site investigations
1212	Do you have experience conducting scheduled and preventive maintenance of structures?	Preventive maintenance
1213	Do you have experience conducting technical and administrative work in the overseeing of general construction/maintenance activities?	CONSTRUCTION-oversee

1214	Do you have experience conducting technical assessment of existing infrastructures?	Assessment infrastructures
1215	Do you have experience conducting technical studies and developing engineering standard operating procedures?	Technical studies, SOPs
1275	Do you have a minimum of fifteen years of progressively responsible experience in political science, international relations, law, disarmament, security, development management, conflict resolution or related area?	D1-POL
1276	Do you have at least 2 years progressively responsible experience in international affairs, development, security, diplomacy, administration, foreign relations?	2 yr int affairs/dev/security

1216	Do you have experience coordinating and implementing repair/maintenance works on facilities?	Implementing repair works
1217	Do you have experience designing and preparing standard drawings, specifications, or layouts for accommodation units?	Preparing standard drawings
1218	Do you have experience drafting and conducting minor detail designs?	Minor detail designs
1219	Do you have experience drafting engineering Standard Operational Procedures (SOPs)?	Exp drafting eng SOPs
1220	Do you have experience implementing country-level or organizational environmental policies, guidelines and standards?	ENVIRONMENT- policies
1221	Do you have experience importing hydrogeological GIS data from a variety of sources to investigate the occurrence, circulation and distribution of ground water?	Hydrogeological GIS data
1222	Do you have experience in designing and operating common database and engineering software?	SOFTWARE-design & operate
1223	Do you have experience in developing engineering cost estimates and procurement planning, and monitoring spending?	Ddv eng cost estimates
1224	Do you have experience in plumbing, maintenance of water/sewage treatment plants and pump systems?	SYSTEMS- plumbing&pump
1225	Do you have experience in quality assurance?	ASSURANCE-quality

1226	Do you have experience in supervising staff?	Experience in superv. staff
1227	Do you have experience in the latest editions of the IEE wiring regulations, generator installations, troubleshooting and control wiring?	Exp generator installations
1228	Do you have experience installing new generators, maintaining existing systems and carrying out scheduled routine maintenance, emergency repairs and overhauling?	Exp installing new generators
1229	Do you have experience in managing and supervising a large diversified team?	TEAMS-manage and supervise
1230	Do you have experience in managing organizational budget allotments and/or monitoring consumption of maintenance supplies?	BUDGET-managing allotments
1231	Do you have experience overseeing project development and estimation relating to construction or maintenance projects?	Exp overseeing project dev
1232	Do you have experience overseeing the implementation of tender processes and contracts, and supervising engineering personnel on a project?	Oversee implement contract
1233	Do you have experience overseeing the implementation of tender processes, contracts and engineering personnel on a project?	Implement tender processes
1235	Do you have experience planning and supervising minor construction projects?	CONSTRUCTION- plan/supervise
1236	Do you have experience in preparing and following up on work orders related to facilities management, building maintenance, minor engineering works, or moving and logistics related activities?	WORK ORDER-prepare/follow up
1237	Do you have experience preparing architectural/engineering drawings for horizontal and vertical construction works?	Architectural/eng drawings
1238	Do you have experience preparing office and/or accommodation plan for an Organization?	Preparing office plan

1240	Do you have experience providing support in planning and supervising minor new construction projects?	CONSTRUCTION-plan&supervise
1241	Do you have experience providing training in GIS, remote sensing, digital cartography, GPS, surveying and mapping-related areas?	Training in GIS, GPS
1242	Do you have experience resolving basic engineering problems during construction/maintenance?	Resolving basic eng problems
1244	Do you have experience working in property control or a related field in a international environment?	Exp working property control
1246	Do you have experience working with Global Positioning Systems in a field environment?	SYSTEMS-Global Positioning
1247	Do you have experience working with standard techniques and practices for the maintenance of various types of treatment plants and pump systems?	MAINTENANCE- pump systems
1248	Do you have experience working with the latest editions of the Institution of Electrical Engineers (IEE) wiring regulations?	Elect Eng wiring regulations
1249	Do you have practical experience conducting boundary surveys?	GEOGRAPHIC-boundary surveys
1250	Do you have specialist training in gas/electric welding procedures and possess proficiency in handling of power tools and testing equipment?	WELDING- gas/electric Training
1251	Do you have the ability to integrate knowledge of GIS with broader strategic, policy and operational objectives	Integrate GIS with policy
1255	Do you have experience with GIS and its related work?	SYSTEMS-GIS experience
1257	Do you have experience in fitting and maintenance of commercial and industrial HVAC, and refrigeration installations?	HVAC- fitting industrial
1258	Do you possess certifiable proof of license to practice on domestic, commercial and industrial installations in accordance with the Institution of Electrical Engineers (IEE), UK codes or their equivalent?	License as per IEE
